Materials Safety Data Sheet

1. Product and Company Identification

- 1) Product Name : Dr.esthe PEEL N GLOW PEARL PREP GEL
- 2) Manufacturer: HANSOLBIO CO., LTD
- 3) Address : Sangdaewon-dong, Halla Sigmavalley 804~811, 910, 545 Dunchon-daero,
Jungwon-gu, Seongnam-si, Gyeonggi-do, Republic of Korea
- 4) Telephone : +82 31 743 9601

2. Hazard Identification

GHS Classification: Not classified as hazardous under GHS criteria.

Emergency Overview:

- 1) Description : Opaque Gel
- 2) Color : Yellow green
- 3) Physical Hazards : None known
- 4) Potential Health Effects:
 - Inhalation : Acute exposure : No data available / Chronic exposure : May cause headache and dizziness
 - Eye Contact : Cause irritation (acute and chronic)
 - Ingestion : No data available

3. Composition/Information on Ingredients

The product contains ingredients recognized as safe cosmetic ingredients by KT, ICID, KSCI, NF, USP, etc.

Full INCI list available in the enclosure.

4. First-Aid Measures

- 1) Inhalation : Move affected person to fresh air. If breathing difficulties occur, administer oxygen and seek medical attention immediately.
- 2) Eye Contact : Immediately flush eyes with lukewarm water for at least 15 minutes. Seek medical attention.
- 3) Ingestion : Do not induce vomiting. Seek immediate medical attention.

5. Fire-Fighting Measures

- 1) Suitable Extinguishing Media : Carbon dioxide (CO₂), dry chemical powder, foam.
- 2) Use water spray to cool containers exposed to heat.
- 3) Firefighters should wear self-contained breathing apparatus and full protective clothing.

6. Accidental Release Measures

- 1) Remove all ignition sources, such as heat and open flames.
- 2) Ensure adequate ventilation before entering enclosed areas.
- 3) Avoid inhalation and contact with skin and eyes.
- 4) Contain and collect spilled material using inert absorbents. Dispose of in accordance with local regulations.

7. Handling and Storage

- 1) Handle in a well-ventilated area.
- 2) Avoid contact with eyes and broken skin.
- 3) Store in a cool, dry place away from direct sunlight and ignition sources.

8. Exposure Controls/Personal Protection

- 1) Engineering Controls : Provide adequate general or local exhaust ventilation.
- 2) Personal Protective Equipment (PPE)
 - Eye Protection : Chemical safety goggles.
 - Hand Protection : Chemical-resistant gloves.
 - Respiratory Protection : Use respiratory protection if ventilation is inadequate.

9. Physical and Chemical Properties

- 1) Description : Opaque Gel
- 2) Color : Yellow green
- 3) Odor : Same as master sample
- 4) pH : 5.25 ~ 7.25 (25°C)
- 5) Viscosity : 9,750 ~ 16,250
- 6) Specific Gravity : 0.950 ~ 1.050
- 7) Melting Point : Not applicable
- 8) Storage Temperature : 0 – 30°C (room temperature)
- 9) Shelf Life : 36 months

10. Stability and Reactivity

- 1) Stable under recommended storage conditions.
- 2) Avoid heat, flames, and incompatible materials such as oxidizers and flammable substances.
- 3) Hazardous polymerization will not occur.
- 4) Flash Point: Not applicable.

11. Toxicological Information

No toxicological data available for the finished product.

Ingredients have been assessed for cosmetic use and are considered safe when used as intended.

12. Ecological Information

No ecological data available for the finished product.

Not expected to be hazardous to the environment under normal cosmetic use.

13. Disposal Considerations

Disposal of waste and containers according to local regulations/

Incinerate or bury in accordance with the Waste Control Law

14. Transport Information

Not classified as dangerous goods under IATA, DOT, IMDG regulations

Keep away from heat, flames, and ignition sources during transport

Store at room temperature, away from direct sunlight

15. Regulatory Information

Complies with the regulations of the MFDS(Ministry of Food and Drug Safety) for cosmetics

16. Other Information

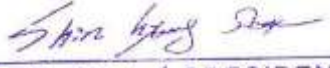

Laboratory / Prepared by : HANSOLBIO Co., Ltd.

This MSDS is based on current knowledge and data available at the time of issue and was prepared using in-house data and formulation-based assessment conducted by the manufacturer. The user is responsible for determining the suitability of this product for their specific conditions of use.

Consumer Precaution Statements (for cosmetic use only):

- For external use only.
- Keep out of reach of children.
- Avoid contact with eyes and broken skin.
- If product gets into eyes, rinse thoroughly with water.
- Discontinue use if skin irritation occurs and consult a physician.

Issue Date : 2026.03.20
